

CONTRA COSTA WATER DISTRICT
OPERATIONS AND ENGINEERING COMMITTEE MEETING

July 18, 2022 at 3:30 p.m.
2411 Bisso Lane, Concord – Delta Conference Room

Committees of the Board review and study issues that may appear on the Board agenda and may include a recommendation to the Board. The Directors appointed to this committee are President Ernesto Avila and Director Patt Young.

Face masks are not required, but highly recommended, for in-person attendance. Members of the public may speak on any matter within the jurisdiction of the Contra Costa Water District: in writing/email sent to and received by the District Secretary at least two hours prior to the start of the meeting. The District Secretary may be contacted at (925) 688-8024; vsepulveda@ccwater.com; or 1331 Concord Avenue, Concord, CA 94520. District facilities and meetings comply with the Americans with Disabilities Act. If special accommodations are needed for you to participate, please contact the District Secretary as soon as possible.
