Teleconference Participation Guide

- Please call (617) 829-7560 to join the Board meeting, up to 10 minutes before the meeting start time of 6:30 p.m.
 - You will hear an informational recording welcoming you to the meeting
 - Disregard the request to announce yourself when you join the conference call
 - You will hear music while on hold until the meeting begins
 - Please do not place the call on hold
 - Place your phone on mute when you are not speaking to reduce background noise
 - Please call back by dialing the same number if you get disconnected
 - During the call you may hear several different teleconference announcements
 - There will be needed pauses during the meeting to allow for teleconference facilitation and participation

- During the meeting, you may hear an announcement: **“Muted.”** This is to prevent unintended background noises, such as dogs barking, sirens, etc., from disrupting the meeting. While the line is muted, you will still be able to hear the meeting. An announcement of **“Unmuted”** signals you are able to be heard by all participants.

- Public Comments: Written/emailed comments to be read into the record (up to 3 minutes in length) must be received by the District Secretary by 4:30 p.m. on the meeting day. There will be several opportunities to provide Public Comment during the meeting: Public Comment Section; Consent Calendar Section; and each Action Item. Depending upon the number of public in attendance, the Public Comments may be taken in one of two ways.
 1. The meeting facilitator will announce: “Callers May Speak Freely.” To provide your comment, you will need to take your phone off “Mute.” Please state your name, so the Board may personally address you and to allow for separation of Public Comments in the minutes; or
 2. “Q&A” Session: All callers are muted following the announcement: **“Q&A Session has started.”** Please follow the voice prompts after the announcement to be placed in the speaker’s queue. Comments will be taken in the order received. The prompts are:
 - “To ask your questions, please press star 6 (*6)”
 - “Press one (1) to add yourself to the queue”
 - You should then hear the announcement: **“Your request has been received.”**
 - It is your turn when you hear the announcement: **“You may now ask your question.”**
 - Please state your name, so the Board may personally address you and to allow for separation of Public Comments in the minutes; indicate when your Comment is completed.
 - An announcement: **“Muted”** will acknowledge that your Public Comment has ended.
 - When there are no further Public Comments for the item, the Q&A Session will be closed with the announcement: **“Q&A Session is over”**

- If a Closed Session is included on the agenda, the teleconference will be placed on hold until the Board returns from Closed Session. You will hear music while on hold.

Thank you for your patience. Your comments are appreciated.
