CONTRA COSTA WATER DISTRICT
SERVICE APPLICATION*

Contra Costa Water District (District) and the undersigned Applicant (Applicant) hereby agree as follows:

1. Exhibit A, attached and made a part of this application describes certain water service facilities which Applicant desires District to install and sets forth District's estimated cost of such installation.

2. Upon payment to the District of the total estimated costs of said facilities in the amount shown on Exhibit A, and after obtaining all necessary materials, permits and authorizations, District will proceed to install the water service facilities described in Exhibit A. If the total actual cost of such installation is less than said estimate of cost, District will refund any overpayment to Applicant. If said total actual cost exceeds said estimate, additional payment(s) equal to the difference will be paid by Applicant to the District. District's computation of total actual cost shall be final and binding upon the parties.

3. District hereby notifies Applicant, and Applicant acknowledges same, that water service shall not be initiated until all bills rendered by the District have been paid in full.

4. District will diligently prosecute the installation work but shall not be liable for delays resulting from labor disturbances or causes beyond its control, including, without limitation, delays caused by others.

The undersigned subscriber requests water service at the premises noted hereon and promised to purchase the water and pay therefore in accordance with the schedule of rates which shall from time to time be legally in effect for the purpose for which the water is to be used, and to conform to and abide by Rules and Regulations in force, relating to the purchase and sale of water.

* To be used as supplement to Service Order, as required.
