The District draws your attention to changes to Invitation to Bid #19102 as follows:

In the original Invitation to Bid #19102 Attachment B- Pricing Sheet did not state the Estimated Quantity inside the pricing sheet structure. The quantity for all categories under the column entitled Estimated Quantity is One (1), this quantity will allow the District to obtain a per unit cost no matter the number of valve cans replaced or adjusted during this contract period.

This document has been added to the District's website and can be downloaded at www.ccwater.com.

A handwritten signature in blue ink, appearing to read "B. K. Jackson", is written over a horizontal line.
